

LOCKERBIE ICE RINK SCOTTISH PAIRS

The final of the Lockerbie qualifier for the Scottish Curling pairs championship sponsored by Andy Thom Plumbing and Heating Ltd was played last week at Lockerbie ice rink. The final was between Graeme Black (Skip) & David Morton and Scott Hamilton (Skip) & Rae Graham. After an exciting final with Black & Morton going into the last end with a 3-2 lead, Hamilton & Graham lay two shots before Blacks last stone hit and lay to win the game by 4 shots to 2.

Richard Smith on behalf of the ice rink management welcomed everyone to the prize giving and thanked the sponsor for providing funding for the finalist's ice and prizes. Andy Thom then presented the prizes to the winners and runners up. Both the winners and runners up will represent Lockerbie in the Scottish Finals at Stranraer in March 2022.
