

## Mansfield Trophy

The final of Mansfield Trophy was played recently between Johnstone and Corrie curling clubs. This trophy was first presented in 1907 by the 5th Earl of Mansfield to Dumfriesshire Province Curling. The double rink competition was a very close match with some great shots from both clubs and it all came down to the final skips stones. Both Johnstone skips, of Craig Strawhorn and Andrew Purdie, making great last shots to win the trophy for the second year in a row by 1 shot. This year the competition was again very kindly sponsored by V&M Thomson, Funeral Directors. Pictured is a photo of the winners receiving the trophy.
