### **ICE RINK LEAGUE 2022-23**

The Lockerbie ice rink league sponsored by Ark Veterinary Centre has been played throughout the season, nine teams took part in the competition. Before the last series of games three teams were in contention namely the rinks of Jack Strawhorn, Graeme Black and Rae Graham. Strawhorn beat Black, which meant the Graham rink of Bud Little, Alice Spence and Lorna Vevers has to win the last end of their game, which they did leaving them the winners of the competition with Strawhorn's rink of Jack Strawhorn, Robbie McCormack, James Taylor and Jamie Strawhorn being the runners up.

Gareth Owen, on behalf of LIR management committee, congratulated the winners and runners up before asking Callum Cameron representing the sponsor to present the prizes to the winners and runners up.
